« Horsetail, birch,  
nettles : SAIGN watch  
plant diversity of the  
marshland. »

A few rays of sunshine find their way through the different plant strata that make up the marsh; this timeless place, where horsetail, birch and nettle blend and merge harmoniously.

The visuals created by Nadia Gagnebin celebrate the nature surrounding the different production's sites of the brand in Switzerland. In dialogue with the objects of the collection, her photographs contribute to create the universe of PRATIKA INTRANO and offering a new perspective on places that are often hidden and sometimes forgotten.

The size of the A0 posters allows to immerse yourself in infinite details.

# Technical specifications

## SAIGN
